Dear Karen and the kind volunteers of the Roma Historical Motor Club

On behalf of St John's School Roma, I would like to sincerely thank everyone involved in making the run yesterday possible. Karen, your organisation and patience has been incredible and most appreciated. To the members who kindly donated their time and use of their vehicles yesterday, thank you. We had a wonderful night and through your generosity, we were able to arrive in style!

Kind Regards

Hi Karen

Thank you so much for organising our students to travel to the St John's formal in cars provided by the Roma Historical Club. I know that the students really enjoyed the experience and made lasting memories that will stay with them forever. Please also sincerely thank your members for volunteering their services. It was very generous of them.

Kind regards

Sue

He has changed his business name to Up the Creek Garage and another venture called Little Texas involving Longhorn Cattle. He is heading into Tourism to help promote tourism in Roma.

Ken reported on QHMC. One club is pushing DTMR to enforce club membership on registration renewals. TMR is against this as it would cause a lot of work and dramas, you would need proof of membership before being able to pay your registration, you wouldn't be able to renew online etc. QHMC is against it as well. They sent a survey asking if club supports this new proposal. We took a vote and we don't want the proposal to go forward.
