**50<sup>TH</sup> ANNIVERSARY**

The 2021 Nor'Easter Hub Meet will be hosted by the Cairns and District Historic Vehicle Club, who are also celebrating their 50<sup>th</sup> anniversary this year. Major sponsors of the event are the Qld Historic Motoring Council, RACQ Insurance and Hansen Ford of Mareeba.

The event will be held in Atherton at the Show Grounds and Pavilion, Mazlin Street, Highway 1, 4883. For those who are not familiar with the site, there is a large area for parking and displaying our cars, as well as conveniences. Tea and coffee facilities are also available, however depending on the Qld Government Covid Restrictions at the time, a tea and coffee van may have to be in attendance where you can purchase your drinks, or you can bring your own.

The Atherton climate is usually quite cooler than the coastal areas, with low humidity, so bring a coat just in case.

We are already planning to make this a slightly different and entertaining event and look forward to seeing you at Easter 2021. To coincide with the club's 50th anniversary the theme this year is

**"GOLDEN OLDIES".**
