To the members of Roma Historical Motor Club Inc.

As we reach the end of our financial year, I would like to this opportunity to thank all of you who have played an active role in the club this year. Your input has certainly kept the wheels of the club running smoothly. To everyone who has taken on a position in the club or attended or assisted at one of our events: Thank-you! 😊

Our club is growing in numbers but also in the number of events and activities that are on our club calendar. We are an active, busy club and I would encourage you to participate where you are able. Even those of you, who live in the more remote parts of Qld, still can participate in our monthly run on 1st Saturday as this is a designated run for all members.

As we grow, it is more important than ever to consider what part you can play to make sure our club continues to be the best that it can be. Please see the attached list of club roles and give some thought as to which of these you might be able to do.

Our AGM will be held on Sunday 15th August, at the RSL Hall in Roma. There will be more details on the day, sent out later.

If you have held a role this year, please prepare a short report for this meeting to bring with you or email to the club email address.

Looking forward to another great year in motoring,
Karen Dawes
President.

The June run for Roma was to Springhill Country Craft Retreat at Amby. Before arriving at Springhill we took a detour to the Amby International Airport for a photo opportunity. Following morning tea Gay gave us a comprehensive tour of her patchwork shop and shared the stories behind some of her creations. We then enjoyed a yarn at the shearing shed with Gerald before having lunch and heading home. An enjoyable morning although a little chilly. We also welcome Gerald and Gay Burey as two of the newest members to the club!
