National Motoring Heritage Day

Thanks to everyone who got their vehicles and bikes out and about to celebrate National Motoring Herirage Day. Roma members put on a great display at the Apex Park with members of the community coming out to support the day and enjoy a chat and a bite to eat. There was also a display of miniature stationery engines which was a winner for the kids.

"As I remember…….Brian Carroll"

16/04/19 - A tribute from Stuart Johnson

1] As a youth I do remember,
When the highway opened on,
From Roma to the East
Through Wallumbilla, starts this song.

2] I would see the window in his shop
The items on display,
And the opened doors of this shop
Awaiting work to complete the day.

3] The sign would say "Carrolls Garage"
And I never really knew,
Or met the history that surpassed
From Brian's dad, to him and others through.

4] I enjoyed a car club meeting with him last year
And to Brian I did ask,
Ok, now Brian!, This is the info centre of Wallumbilla.
But what history do you know of the past?

5] Well!, He said, over there ,was my home
and next door, there was my parents too,
And on the right, the Mohrs were there,
And over the back South another family member grew.

6] Brian would speak of those in the early days,
As kids, which he would 'give them a go',
So the automotive portfolio,
Had to just grow and grow.

7] Thank you Brian, for the time, your patience,
And of course, many of your tales,
You leave a heritage – Well Done!
An example of the age.

Brian and his family at the 2002 Easter in the Country Rally.
